

# Appease Your Enemy – Punish Your People

The policy of appeasing one's enemies has a long history of failure because it is often followed by defeat at the hands of an adversary. However, there is an added twist in this "Woke age". Recently a calculated decision was made, through the Department of Justice in the United States, to "reform" the "China Initiative" which was a program aimed at curbing spying by the Chinese Communist Party. Here is an excerpt from The National Review:

*The Department of Justice is canceling the Trump-era "China Initiative" program that was aimed at curbing spying by the Chinese Communist Party on intellectual property and academia after a review concluded that it was discriminatory against the Asian-American community. Spearheaded in 2018, the program was focused on identifying and prosecuting those engaged in trade secret theft, hacking, and economic espionage, as well as protecting our critical infrastructure against external threats through foreign direct investment and supply chain compromises.*

So the Department of Justice can spy on parents at school board meetings but they will no longer target those with an Asian background, that might be spying on American businesses and academia, because this would somehow be racist. The only word to define this stupidity is "self-righteousness". In other words, those who adhere to Woke theology are claiming their proposed handling of potential Chinese spies is "more righteous" than the previous administration. This is tantamount to saying that anyone who disagrees with their "righteous methodology" is the equivalent of Antichrist. The irony is that Woke theology resembles one of the

antichrists prophesied to appear on the world stage as we get closer to the end of this present era.

*Little children, it is the last hour; and as you have heard that Antichrist is coming, **even now many antichrists have come**, by which we know that it is the last hour (1Jn. 2:18; NKJV used throughout unless otherwise noted; emphasis added).*

The Apostle Paul describes today's Woke religion as follows, and it is in the context of: "*in the last days*".

*But know this, that **in the last days perilous times** (times of stress) **will come** (2Tim. 3:1; Ed. note in parenthesis; emphasis added).*

(They will have) **a form of godliness but denying its power. And from such people turn away!** (2Tim. 3:5; Ed. note in parenthesis; emphasis added).

So by taking the position that Woke religion is more righteous if it doesn't target Asian people suspected of espionage, "the Wokeists" are willing to sacrifice the rights and security of their own law-abiding citizens. Therefore, Wokeism has a sacrificial system in which citizens are being "canceled and burned" on an altar that represents the self-righteousness acts of the Woke priesthood.

Paul described these so-called "godly people" as the antithesis of "godliness" because the true source of godliness comes through the power of God's Holy Spirit, which is only available to those who seek to obey His every word (cf. Mt. 4:4).

***But you shall receive power when the Holy Spirit has come upon you...** (Acts 1:8a).*

*And we are His witnesses to these things, and so also is **the Holy Spirit which God** (Almighty) **has given to those who obey Him** (Acts 5:32; Ed. note in parenthesis; emphasis added).*

Consequently, those who reject God's word, or refuse to obey it, cannot claim that their religion is godly, or righteous. According to God's word, parents are to be respected while one's enemies are to be handled with caution and wisdom (cf. Mt. 10:16). This alone reveals that Wokeism is a false religion, and should be rejected because parents are being treated like "an enemy of the state" when the Department of Justice has been weaponized to spy on them. And, while this is happening, this same government body cancels the China Initiative making American businesses, and the country as a whole, less secure.

Not only that, but it also now appears America's security is being compromised even further by sharing intelligence with an enemy. The following is an excerpt from a New York Times article entitled, "U.S. Officials Repeatedly Urged China to Help Avert War in Ukraine" by Edward Wong.

*Over three months, senior Biden administration officials held half a dozen urgent meetings with top Chinese officials in which the Americans presented intelligence showing Russia's troop buildup around Ukraine and beseeched the Chinese to tell Russia not to invade, according to U.S. officials. Each time, the Chinese officials, including the foreign minister and the ambassador to the United States, rebuffed the Americans, saying they did not think an invasion was in the works. After one diplomatic exchange in December, U.S. officials got intelligence showing Beijing had shared the information with Moscow, telling the Russians that the United States was trying to sow discord – and*

*that China would not try to impede Russian plans and actions, the officials said.*

This weak, godless, foolish, and selfish leadership was predicted to come and is described figuratively as follows.

*As for My people* (those who claim to trust in God), *children* (the immature, foolish, inexperienced, and selfish) *are their oppressors, and women rule over them* (because there are no strong leaders). *O My people! Those who lead you cause you to err* (lead you astray), *and destroy the way of your paths* ((Isa. 3:12; Ed. notes in parentheses).

*For **My people are foolish, they have not known Me. They are silly children, and they have no understanding*** (of what is right and wrong). ***They are wise to do evil, but to do good they have no knowledge*** (Jer. 4:22; Ed. note in parenthesis; emphasis added).

So how long will mankind be misled by immature, foolish, self-serving, and self-righteous leadership?

*Answer:* "As long as the King of kings and Lord of lords is not ruling this planet" (cf. Rev. 19:16),

*I* (God Almighty) *will punish the world for its evil, and the wicked for their iniquity; I will halt the arrogance of the proud, and lay low the haughtiness of the terrible* (tyrants) (Isa. 13:11; Ed. notes in parentheses).

One of the great deceptions in our current era is that tyrants are hiding in plain sight, wearing sheep's clothes.

*And no wonder! For Satan himself transforms himself into an angel of light.* <sup>15</sup>*Therefore it is no great thing if his ministers (servants) also*

*transform themselves into ministers of righteousness, whose end will be according to their works* (2Cor. 11:14-15; Ed. note in parenthesis).

By chanting the latest Woke mantra, many leaders in politics, religion, and even corporations, appear innocent and godly, but their true motives are extremely dangerous, divisive, and self-serving. These are the ones who would "sell out" the very country they live in if it somehow benefited them in the short-term. Sadly, they are drunk on the corrupt values of a system that is described metaphorically as "*Babylon the Great, the Mother of Harlots and of the Abominations of the Earth*" in the 17<sup>th</sup>, 18<sup>th</sup>, and 19<sup>th</sup> chapters of the book of Revelation, but thankfully it is just a matter of time before this entire system utterly collapses.
