

Death by Self-Righteousness

Self-righteousness has a blinding effect that prevents those infected by it from seeing cause and effect clearly. Some examples of this phenomenon were on display during Rita Panahi's program entitled "*Lefties Losing It*" (Sky News Australia). In one of the clips, a woman from New York proclaimed the following from her high horse named "*Self-Righteousness*":

Regarding ICE (Immigration and Customs Enforcement) agents doing the job they were hired to do, she said it was wrong that "*our neighbors are getting taken off our streets.*"

Anyone with a sense of law and order knows this is a false and misleading statement because people removed from our streets would be those who broke immigration law by entering the country illegally, and many of these same people have committed criminal offenses causing harm to US citizens. Immigration laws were established to protect the safety and well-being of the citizenry; as well as preventing the misuse and abuse of their hard-earned tax money. It is the responsibility of the leadership in those countries who have allowed their citizens to enter the US illegally, to "*get their own house in order*" so that their people are not leaving to pursue better economic opportunities elsewhere. The Apostle Paul pointed out the responsibility of one's own family to provide essentials for those of their household, including extended family members.

*If a Christian woman has widowed relatives, she should support them and **not make the church bear the expense** but enable it to support those who are genuinely widows* (1Timothy 5:15-16; emphasis added; The Jerusalem Bible).

The next complaint issued from the self-righteous horse's mouth was:

"Gender affirming care is being taken from young people who need it to survive."

The truth is that no child should be manipulated and abused by adults who are either mentally ill, sexually perverted, or "*as dumb as a door nail.*" Children are to be properly educated and protected by their parents, starting with the foundation of truth which makes it clear that Adam was created a man and Eve was created a woman (https://www.onetruthonelaw.com/uploads/4/2/3/5/42356753/cant_define_a_woman.pdf).

*And you, fathers, do not provoke your children to wrath, but **bring them up in the training and admonition of the Lord*** (Ephesians 6:4; emphasis added; NKJV used throughout unless otherwise noted).

*For I (God) know (Abraham), that **he will command his children and his household after him, and they shall keep the way of the Lord. To do justice and judgment...*** (Genesis 18:19a; Ed. notes in parentheses; emphasis added).

When someone reaches the age of twenty, God views them as responsible enough to make important decisions. Until this age, no parent should be attempting to transition their child, or children.

*Everyone included among those who are numbered, **from twenty years and above, shall give an offering to the Lord*** (Exodus 30:14; cf. Numbers 1:3, 18, 20, 22, 24, 26, 30, 32, 34, 36, 38, 40, 42, 45; emphasis added).

Because Satan is our # 1 enemy, he works diligently to create chaos and confusion, which explains the many different and sickening forms of child abuse in western nations today.

This is why God in His infinite wisdom created certain laws to protect the integrity of the family unit.

A woman shall not wear anything that pertains to a man, nor shall a man put on a woman's garment, for all who do so are an abomination to the Lord your God (Deuteronomy 22:5).

If a man lies with a male as he lies with a woman, both of them have committed an abomination. They shall surely be put to death. Their blood shall be upon them (Leviticus 20:13; cf. Romans 1:26-27).

Does not even nature itself teach you that if a man has long hair, it is a dishonor to him? (1Corinthians 11:14).

(God) hates divorce, for it covers one's garment with violence... (Malachi 2:16; Ed. note in parenthesis; emphasis added).

Children are negatively affected when any of the laws mentioned above are broken, and these are just a few of the examples.

The last lie that the woman from New York proclaimed is that the US Supreme Court justified racial profiling, probably in the context of how ICE detains people. This is rich coming from a woman whose political ideology promotes white-shaming doctrines including CRT (critical race theory), and DEI (diversity, equity, and inclusion) that prefers one segment of society over another, which is contrary to what Martin Luther King Jr stood for.

If western civilization remains on this self-righteous trajectory, it cannot stand. To survive, it needs to embrace and teach God's law and order principles.

All Your (Almighty God's) **commandments are righteousness** (Psalm 119:172b; Ed. note in parenthesis).

In the way of righteousness is life (everlasting), and in its pathway there is no

death (Proverbs 12:28; Ed. note in parenthesis).

Sadly, instead of seeking and obeying God's righteous law and commandments, weak western nations are normalizing lawless behavior that will lead to the death of this civilization. We are now living at a time predicted by the Apostle Paul when he said.

*For men will be lovers of themselves....**having a form of godliness** (self-righteous) but denying its power (which comes from obeying God's law). And from such people turn away!* (2Timothy 3:2-5; Ed. notes in parentheses; emphasis added).

Per the following link, God's future disciplinary action will humble us to the point we acknowledge that our self-righteous behavior contributed to the death of western civilization:
