

# Mother of All Subterfuge

There is a common misunderstanding among those who study Bible prophecy, as it pertains to "*The Mother of Harlots*" mentioned in Revelation 17:5. It is assumed that this prophetic section applies to religious organizations, like the Roman Catholic system. However, this assumption may need to be revised at a time when secularism is rapidly replacing many religions globally.

Now, there are a number of new religions on the rise, and many more may follow. Each one could qualify to be called "*a harlot*" of the "*mother*" who will gather them together into one global system of governance that will be hijacked by Satan.

*And then the lawless one will be revealed, whom the Lord will consume with the breath of his mouth and destroy with the brightness of his coming (cf. Mt. 24:27). **The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders** (2Thessalonians 2:8-9; NKJV used throughout unless otherwise noted; Ed. note in parenthesis; emphasis added).*

The priests of these "*new belief systems*" can be as zealous as the most passionate Christian evangelical preacher. A recent example of this would be one of the leaders in "*the climate change religion*" who spoke like "*a prophet of doom*" at the World Economic Forum in Davos, Switzerland. Following is a summary report from an article entitled, "Al Gore Goes On 'Unhinged' Rant About 'Rain Bombs, Boiled Oceans'" by Gabriel Hays, Fox News, January 18, 2023,

*"Climate activist and former Vice President Al Gore recently went on an "unhinged" rant*

*about the dangers of climate change at the World Economic Forum in Davos, Switzerland. Gore's speech, which involved him yelling about climate change 'boiling the oceans,' causing freak weather occurrences like 'rain bombs' and ultimately affecting humanity's ability for "self-governance", made for quite the spectacle on the world stage and on social media."*

Translating this message from Al Gore, one can see the opposite scenario occurring in the "*not so distant future*". Specifically, the globalist elites are using their climate religion, along with other scare tactics, to justify the removal of self-governance; particularly in western democracies. Another example of this involved the draconian COVID restrictions, which suspended many previously held sacrosanct freedoms. Government misinformation, disinformation, and media suppression of the facts, led to more needless deaths, job losses, businesses shut down for good, travel restrictions, mask mandates, etc. In Canada, people involved with protesting these tyrannical measures had their bank accounts frozen. One of the "*priests*" behind many of these measures was Anthony Fauci, whose directives were either wrong or simply misguided. Some examples follow,

*Early in the pandemic Dr. Fauci stated that the United States did not have to worry about the coronavirus and that it was not a major threat. He then warned that it could become much worse, but then weeks later said it could be compared to a bad flu. He claimed that hydroxychloroquine treatment was not used in a clinical trial, and then two weeks later stated that it was deemed the most highly rated treatment in an international poll of more than 6,000 doctors. When the number of known cases in the U.S. began to grow, he suggested President Trump should have shut down the economy in February of that year, but when the number of confirmed*

*cases totaled only 100, he walked this back. In March of the same year, he said that cruises were OK, which was a huge mistake. Dr. Fauci and the CDC missed the millions of US citizens who had already contracted COVID before the draconian lockdowns took place; knowing this would have prevented the economic disaster that followed. In April 2020, Fauci endorsed Tinder (dating app) hookups. He warned that Georgia would see a surge in COVID cases and deaths by opening up the economy too early, but the opposite happened. His position on wearing face masks was a major flip-flop from "no reason to wear a mask", to saying we should wear one, even though "the science" did not support the efficacy, given the fact the COVID virus passed through most face masks virtually unimpeded.*

So the harlots mentioned in Revelation 17:5 can range from elected to non-elected officials who mislead the citizens of their respective countries, primarily through disinformation; either wittingly or unwittingly. And, as these people gain more power and authority, the rights and freedoms of their fellow citizens will be diminished. At some point, and for a short period of time, all the "harlots" (described figuratively as 10 kings) will quickly transfer the power and authority they have removed from their fellow citizens, to a global system of governance, which is compared metaphorically to "a beast",

*And the ten horns which you (John) saw are ten kings who have received no kingdom as yet, but **they receive authority for one hour as kings with the beast.** <sup>13</sup>These are of one mind, and they will give their power and authority to the beast (Revelation 17:12-13; Ed. note in parenthesis; emphasis added).*

This powerful centralized authority will cause chaos that would result in the complete

destruction of mankind, if it weren't for God's intervention.

***For then there will be great tribulation, such as has not been since the beginning of the world until this time, no, nor ever shall be*** (Matthew 24:21; emphasis added).

*These (confederate forces) will make war with the Lamb (Christ), and the Lamb will overcome them, for he is Lord of lords and King of kings...* (Revelation 17:14a; Ed. notes in parentheses).

God is allowing this "group subterfuge" to grow like "leaven in a lump of dough", because mankind has to experience the consequences associated with its lawless behavior.

*Your glorying (self-praise) is not good. Do you not know that a little leaven (symbolic of sin) leavens the whole lump (person)? <sup>7</sup> Therefore clean out the old leaven (old sinful way of living), that you may be a new lump (new person) ...* (1Corinthians 5:67a; Ed. notes in parentheses).

So, it won't be climate change that brings us to the brink of complete annihilation. Instead, it will be lawless conduct on a universal scale; led by a global system of government operating in accordance with Satan's self-serving value system.
